2.5 Rationale of the Proposed Mandate

The companies in the Group have in the past entered into the recurrent related party transactions disclosed in Section 2.3 above and will continue and/or are expected to enter into such transactions in the ordinary course of business for the Group's day-to-day operations. The recurrent related party transactions are likely to occur with some degree of frequency and, could arise any time as and when the circumstances so require. Some of these transactions may be time-sensitive and it may be impractical to seek stockholders' approval on a case to case basis before entering into such related party transactions.

The renewal of the Proposed Mandate on an annual basis would eliminate the need to convene separate general meetings from time to time to seek Stockholders' approval as and when potential Recurrent Related Party Transactions arise, thereby reducing substantially administrative time and expense in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to OHB Group.

2.6 Benefit of the Proposed Mandate

It is in the interest of the Group to enter into the Recurrent Related Party Transactions. The close working relationship with the Related Parties ensures and will continue to ensure timely delivery and provision of services, commitment and reliability of quality services for OHB Group, to enable smooth operation of the day-to-day business of the Related Parties and thus will result in mutual benefits to the parties of the OHB Group.

2.7 The Methods and Procedures on which Transactions Prices will be Determined and Other Review Procedures

2.7.1 Review Methods or Procedures for Recurrent Related Party Transactions

The procedures established by the Group are as follows:

- (i) An updated list of Related Parties shall be circulated to the operating segments and subsidiaries from time to time for reference in ensuring that all transactions with such Related Party Transactions are undertaken in accordance with the policies.
- (ii) All operating segments and subsidiaries companies shall review the existing information systems to ensure that information on Related Party Transactions are captured at source.

2.7.1 Review Methods or Procedures for Recurrent Related Party Transactions (cont'd)

If a member of the Board or the Audit Committee has an interest in the transaction to be reviewed by the Board or Audit Committee as the case may be, he will abstain from any decision making by the Board and the Audit Committee in respect of that transaction.
- (viii) The Group shall ensure that at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.
- (ix) In the event that quotations or comparative pricing from unrelated third party cannot be obtained for the proposed transactions, the Group will rely on their market knowledge of prevailing industry norms bearing in mind the urgency and efficiency of services to be provided or required to ensure that the Recurrent Related Party Transactions is not detrimental to the Company/Group.

2.7.2 Thresholds for Approval of Recurrent Related Party Transaction

- any one of the percentage ratios of such aggregated transactions is equal to or exceeds 1%,

whichever is the higher.

2.10 Statement by Audit Committee

The Audit Committee will call for an annual review of Recurrent Related Party Transactions to ensure that such transactions are undertaken at arm's length, on normal commercial terms, on terms not more favourable to the Related Parties than those generally available to the public, are not in the Company's opinion, detrimental to the minority stockholders and are in the best interest of the OHB Group.

If during the reviews, the Audit Committee is of the view that the guidelines and procedures as stated above are not sufficient to ensure normal commercial terms and/or detrimental to the minority stockholders, the Company will revert to stockholders for a fresh mandate based on new guidelines and procedures immediately, and in any case before the next transaction is entered into.

The Audit Committee shall also during their review request for additional information on all Recurrent Related Party Transactions.
